

D.O. No. 15(3)/ARC/2006

Dated the 27<sup>th</sup> February, 2006

Dear Tolia,

Thank you very much for your letter dated 16.02.2006 in response to our letter dated 24.01.2006 pertaining to the Right to Information Act.

2. The suggestions made by you very relevant and comprehensive and will provide valuable inputs to the Commission in finalizing its report. I think the State Of Uttranchal is lucky to have a State Information Commissioner with your in depth knowledge and understanding of all aspects of the RTI Act.

3. There are great expectations from this Act. If implemented in letter and spirit it is bound to promote transparency, accountability, quick disposal of cases and consequently early redressed of citizens grievances.

4. On behalf of the Commission, I would like to thank you for sparing you valuable time in responding to our suggestions.

Yours sincerely,

**(Vineeta Rai)**
